PROFILUL COMPANIEI

Compania a fost înființată de către domnul Mario Felice Nusco.

Calitatea și stilul produselor Nusco pot fi găsite sub semnătura Pinum din anul 1992.

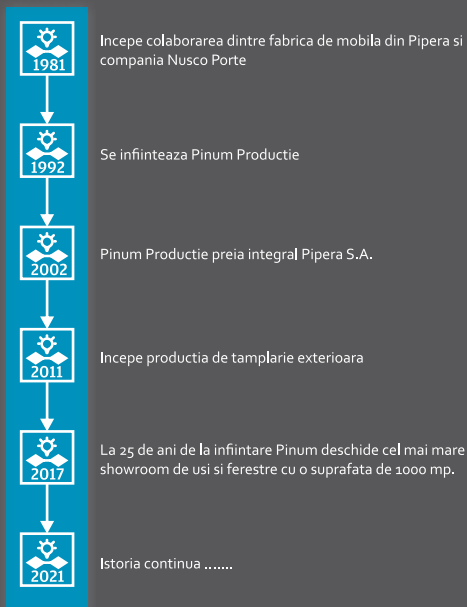

Compania noastră produce în România și în Italia o gamă variată de uși și ferestre: uși de interior, uși de intrare, uși metalice, uși blindate, uși rezistente la foc, ferestre din lemn, lemn cu aluminiu, aluminiu dar și PVC. De asemenea există colaborări cu producători cunoscuți de parchet stratificat. Pinum a cunoscut o dezvoltare continuă atât din punct de vedere al capacităților de producție cât și a segmentului de piață căruia i se adresează. Astăzi, Pinum Doors & Windows, parte importantă a Grupului Nusco, înseamnă garantul calității produselor livrate și serviciilor prestate, înseamnă profesionalismul specialiștilor care împreună pun în mișcare acest ansamblu.

Sediu central:
BUCUREȘTI - ROMANIA

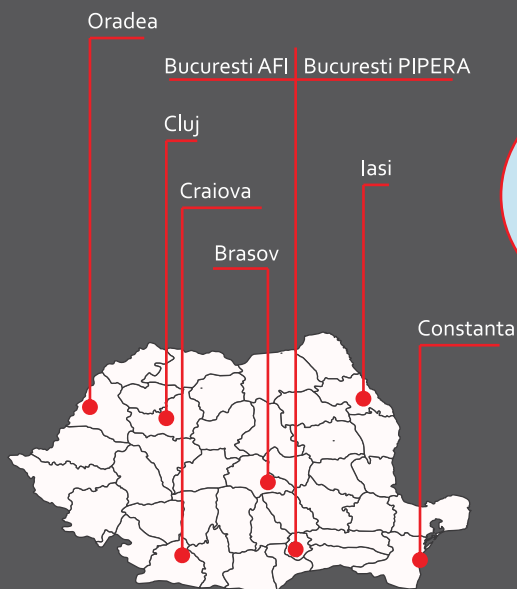

Producem:

La început, principalele produse ale companiei au fost ușile de interior dar cu timpul datorită dorinței de a ne extinde gama de produse oferite clienților am ajuns să producem:

- uși de interior
- uși de intrare
- uși rezistente la foc
- tamplarie din pvc
- tamplarie din aluminiu
