

A modern interior hallway with a wooden wall, a white door, a black radiator, and a framed abstract painting. The scene is dimly lit, with a warm glow from a light fixture on the wall. The floor is covered in a patterned rug. The overall aesthetic is contemporary and minimalist.

 **PINUM**

"Our mission is to establish ourselves as the benchmark brand for every home, inspiring our customers to create their ideal personal spaces."

About us.

Together since 1992

Pinum is the largest Romanian manufacturer of premium doors, windows, and flooring, standing out through elegant design, durability, and functionality.

With a constant focus on quality and innovation, Pinum offers a wide range of interior and exterior solutions: classic, modern, and unconventional doors, high-performance aluminium and PVC joinery, as well as carefully selected flooring. Through an extensive network of showrooms across the country and global exports, Pinum products contribute to the comfort, aesthetics, energy efficiency, and safety of residential and commercial spaces worldwide.

Pinum franchises support regional economic development by offering entrepreneurs the opportunity to bring quality, comfort, and elegance into Romanian homes.

1981

The collaboration between the furniture factory in Pipera and the company Nusco Porte begins.

1992

Pinum Producție is established.

2002
